Yes, md'am, I want to nominate my name

Ok, We have Rajshree competing this year

All the best

Congrats

Congrats Rajshree

Back at hostel

Why are you worried
Rajshree? I know you will be
able to win this election

You have something
every one desires. Use
that and you will win the
election

I'll do anything to
become President

Next day college

Nomination for President Election -
1. Rajshree
2. Mayank
3. Uday

So I see Uday and
Mayank too filed in
their nominations

I have to get in
max support

See, I want to win this
election so I need your
support. To get it I am
willing to fulfill
your secret dream

Myself

Are you
insane ?

I can do anything for
winning and this is a
offer of a lifetime

Deal

You give me
yourself and you
have my
nomination
withdrawn

Meet me in
room 502 after
college

After College - 502

You are late

I couldn't get
away from my
campaign team

Lets not waste
any more time

UUAHHH

Let me give you a glimpse of my body

WOW.... You are absolutely beautiful.

Let me have a glimpse of every guy's desire

Oohh Mayank your hot tongue on my pussy making me wetter

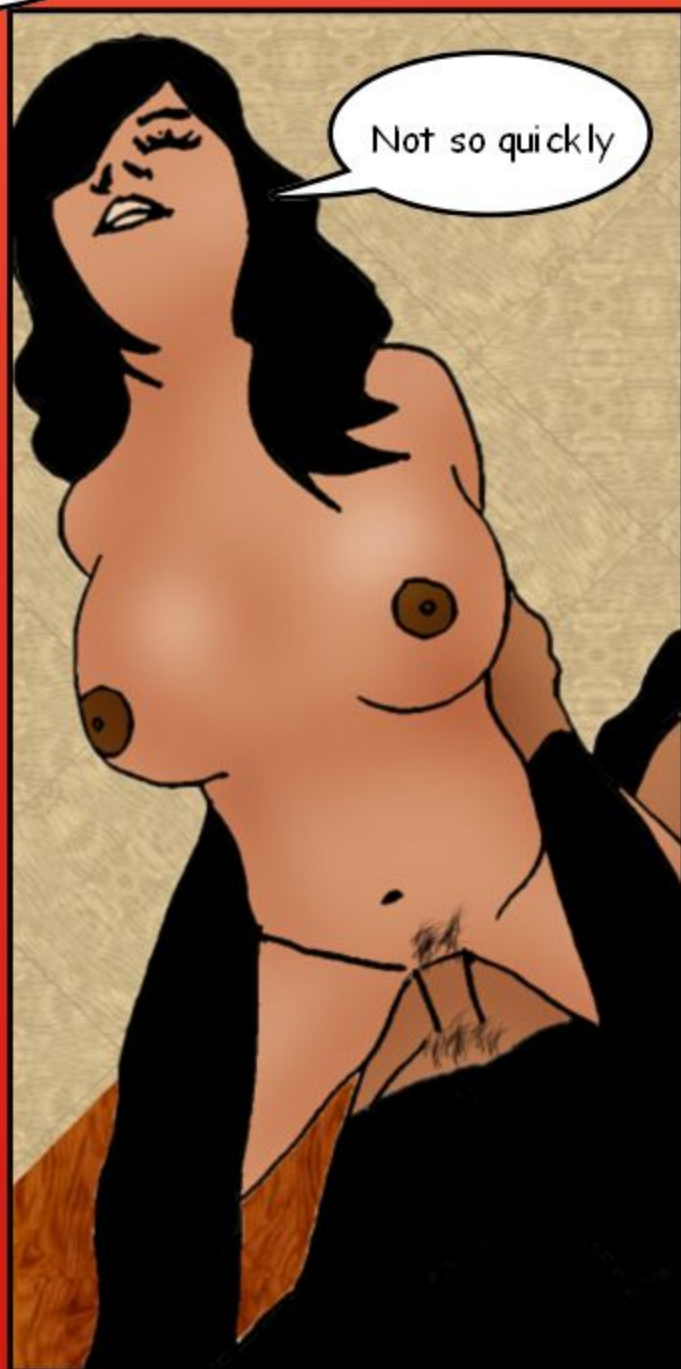

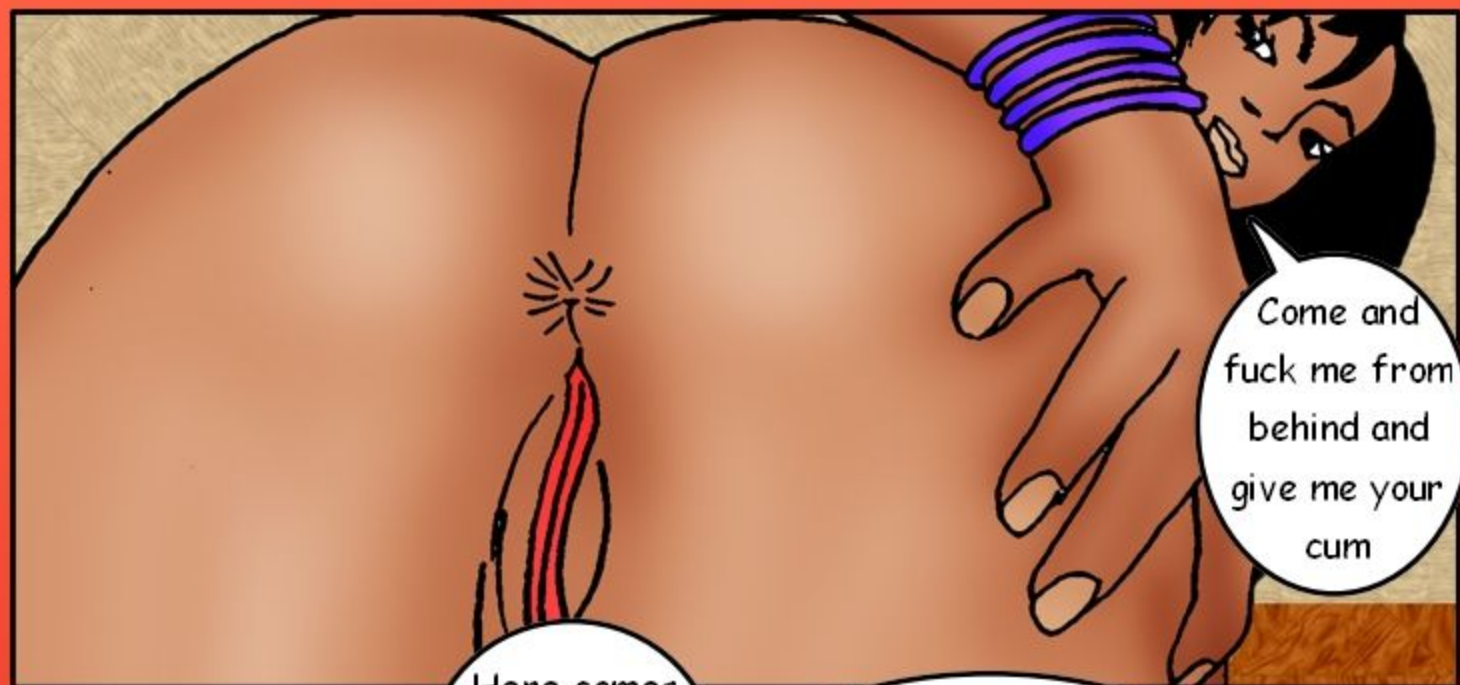

I want to suck your cock now

Don't just play
with it, suck it
hard

Here comes
my mighty cock
to invade you
again

So I trust you will keep
your word and withdraw
your nomination now

Surely...I am heading
towards Princi now to
do just that.

Finally I am releasing
my cum inside you, my
dream came true

I am a lucky man

You're not the first
and you definitely
won't be the last!

AAHH

You never told me that you fucked Mayank

Well, I fucked him when I was a virgin to get admitted in this college, then he just kept fucking me in return for every favor

While fucking he mentioned that my pussy is tighter than yours. But I think it just fine.

He has a nice cock, though. How come you know that he fucked me

Don't get disheartened. These guys are all the same!

Rajshree, you now have to convince the members of College committee with your extra skills to guarantee your election.

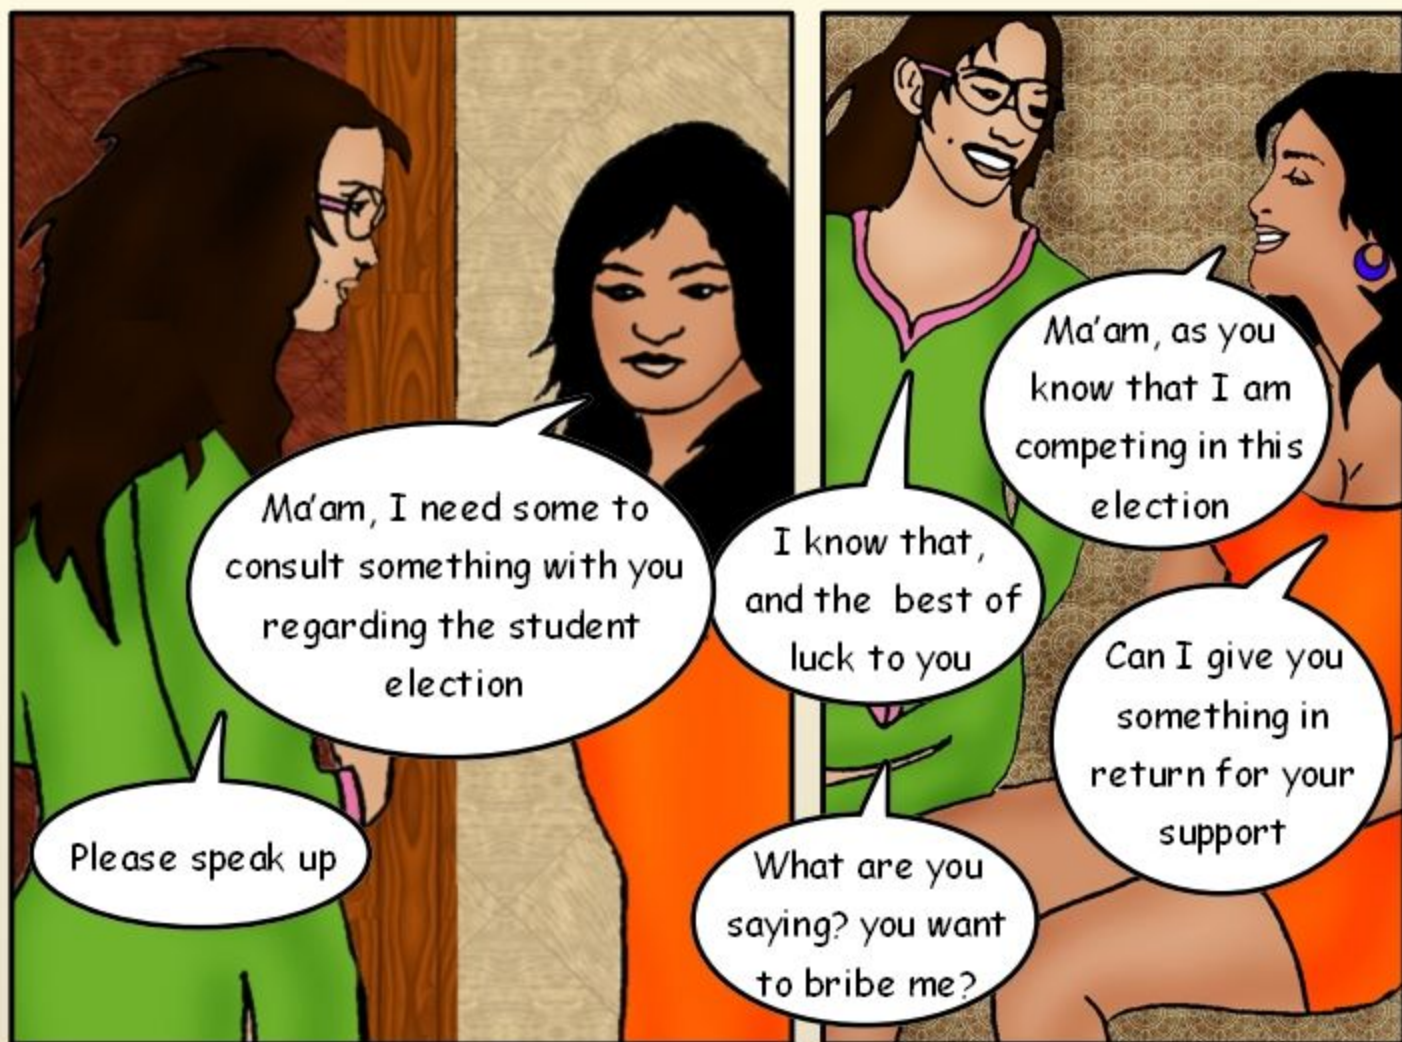

Yes, I know that, two more to go - Vice Princi, HOD

At night - Girls Hostel

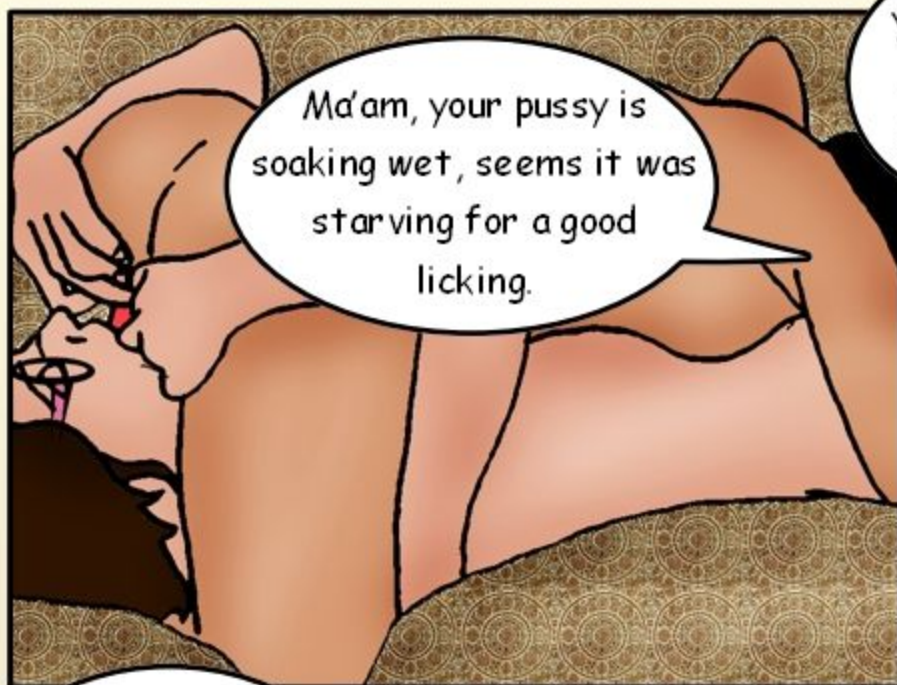

**KNOCK
KNOCK
KNOCK**

Come in

Your pussy
smells of
fresh cum

Seems you
had a good
fuck today

let me lick
it clean

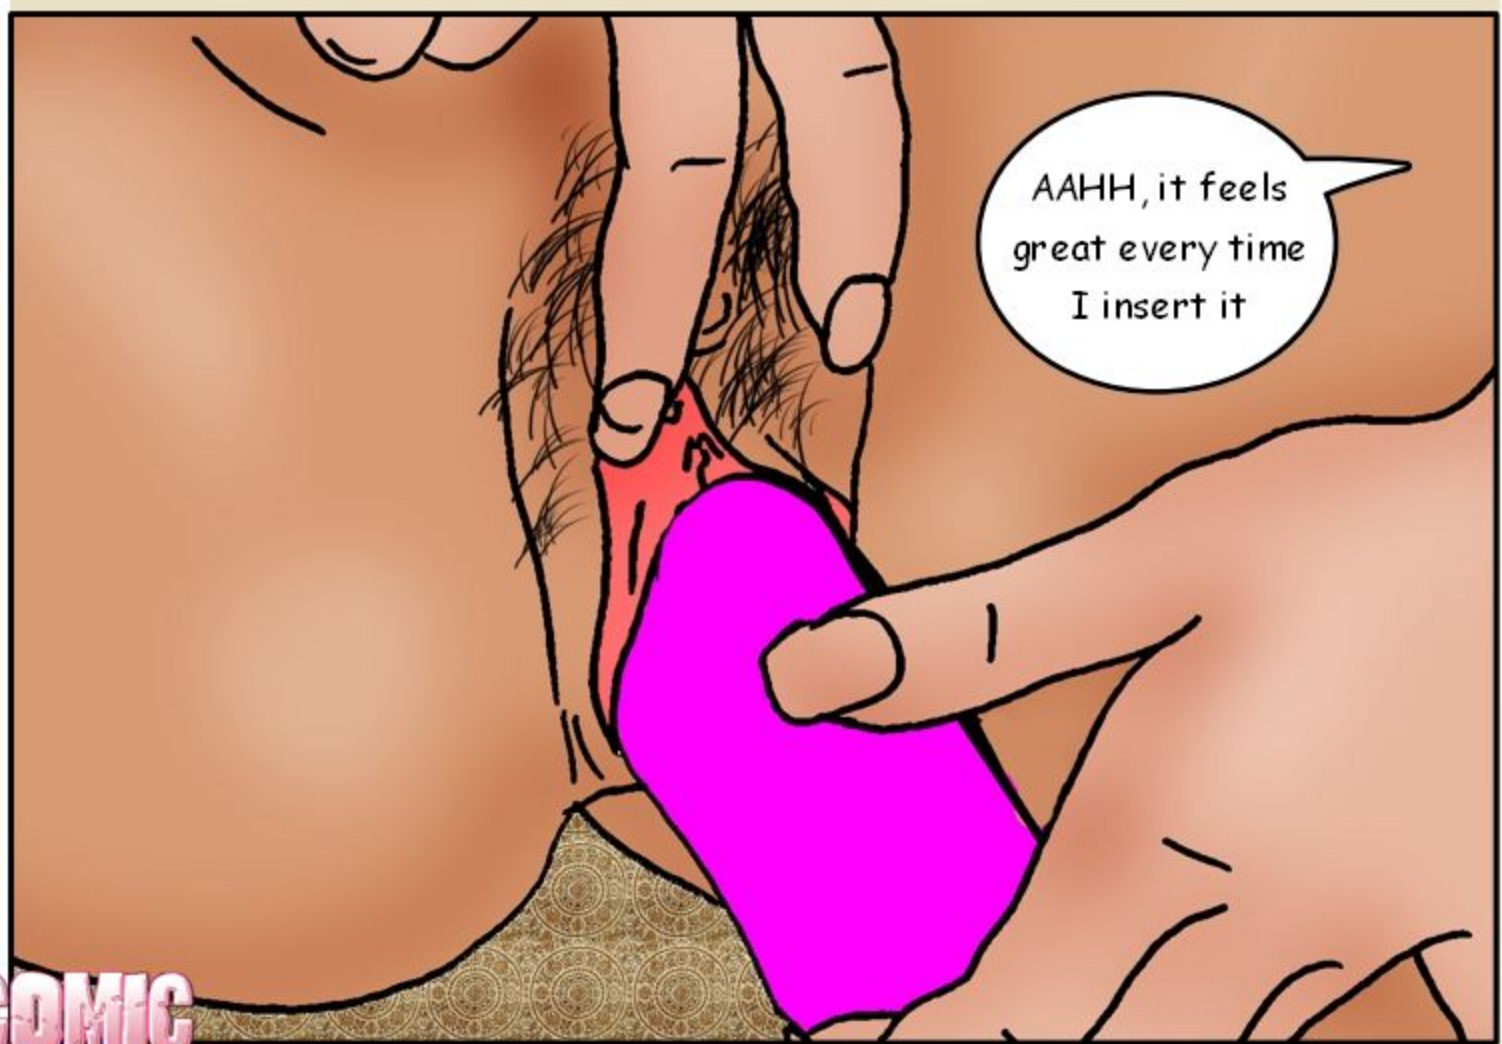

Ma'am your tongue
feels so good, you're
really an expert at
licking pussy

Time for some
real action

Yes, bite it, it makes me so horny

It was a wonderful evening

I hope I can count on your support for my campaign

Later

You're so wet

You are a fast learner, your fingering has made me so wet

Certainly, you fulfilled my desire and now it's my turn to fulfill yours

In College Library

Rajshree,
stop all that
you are doing

I know that you are
messing up with
students to get
in their votes

What am I
doing?

If you continue
this, I would have
to take steps
against you

Do, what ever
you can do, I
want to win

I must talk
with VP, she
can stop
Rajshree

VICE PRINCIPAL

KNOCK
KNOCK

Please
come in

Ma'am, I need to
discuss a serious
issue with you

Please
tell

Rajshree is
using unfair
means to win
the election

She is
messing
up with
students

Please
elaborate, what
is she actually
doing?

She is luring guys with her attractive
body, giving some a blowjob, to some
handjob and even fucked some college
hunks, to get her votes

That is a very serious accusation.

How can you say such a thing about your fellow student

I'm not accusing her falsely ma'am. I have proof.

She even fucked Mayank in exchange of his withdrawal

Well, that proves her capability as a President

She knows how to get her things done

You must appreciate her skills and tactics, there are many things you can learn from her

You sound in favor of her, this means, she roped you in too

Well, I enjoyed having fun with her, she was awesome

Girls Hostel Shower

Neha, I guess I
have enough
supporters now

No one can
deny your
charm, girl or
a guy

You are too
hot to resist

All you need to do is now
make sure they vote

Surely they will!

COLLEGE AUDITORIUM

We have finished the first phase of counting and Uday is leading by 50 votes

How can Rajshree be so careless?

She should have been hours ago - this is ridiculous

Why are you late for the ballot counting, Rajshree?

What's the matter?

Sorry all, but I have something to say

What's this all about! ?

Are you nuts?

I must win this election, and I will do ANYTHING to make that happen

Your hot
breath on my
pussy is already
making me
horny

I never like to
cover my nipples
and pussy

I don't wear
bra or panties
they are of no
use to me

I see you are
not wearing
any bra

SLURP

AAAAHHH

Thanks,
sir

Rajshree
your pussy is
the tightest
I've ever

Fucking such a
"tighty", will
make me cum
fast.

My cock is madly
pounding inside

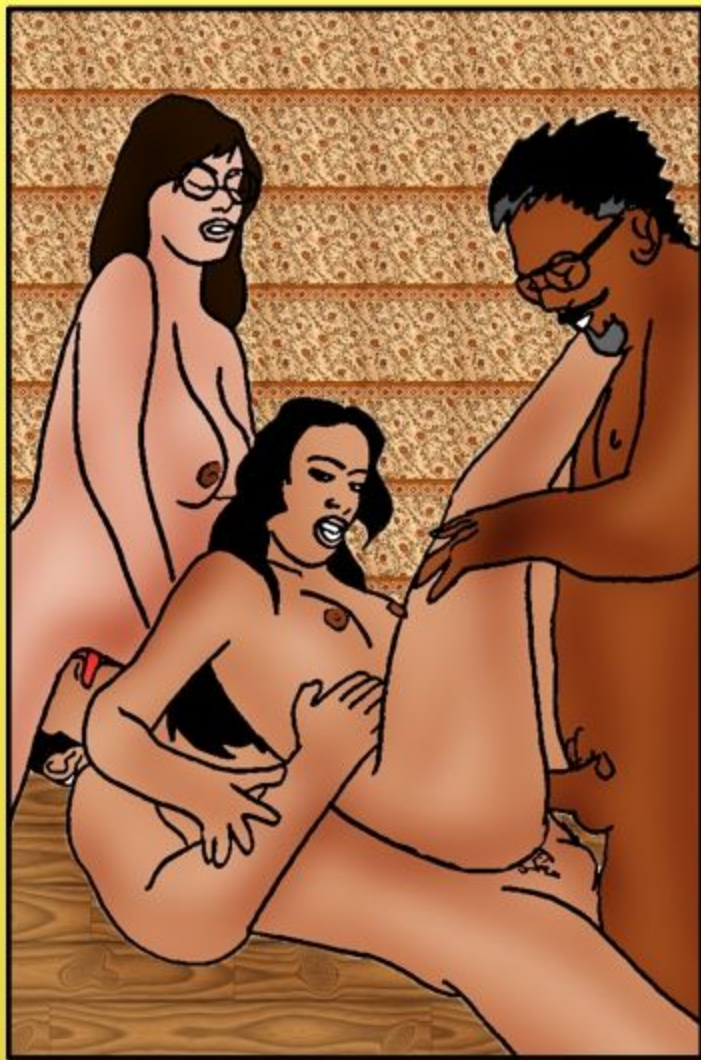

Ma'am, I have never
dreamt of licking your
pussy

Don't worry,
I will lick it
clean

I am cumming so
fast, it's so long
since I was last
fucked

Ma'am, let us
fuck you too

AAHHHHHHHHHH

Here's the winning stroke

Rajshree, clean yourself up and I will declare you the winner

Thanks sir

Thanks all, for making me your President

It was a lot of hard work, but definitely worth it!

My dear students and fellow staffs, I give you this year's College President in form of Miss Rajshree

The End
